

Get the right coverage and know your benefits with support from Medicare experts

> Medicare Support

Choosing the right Medicare plan that fits you or your loved one's needs isn't always easy. Get clear on your Medicare coverage options, benefits and costs with support from a Care Coach.

- **Know which plan you need:** Get help understanding the types of plans available
- **Get clear on costs and coverage:** Understand costs and coverage for Medicare plans
- **Don't miss open enrollment:** Ensure you're up-to-date on important enrollment deadlines so you know when to apply for the coverage you need
- **Medicare vs. Medicaid:** Clarify any confusion between Medicare and Medicaid and which applies to you or your loved one
- **Plan for retirement:** Gain clarity on how medical coverage during retirement works and how current coverage might overlap with Medicare

You have a Cariloop membership paid for by your employer. All you have to do is activate it.
